

“Huile Consolatrice Sérénité”

Serenity Solar Oil

*“I beseech you, my joy, acquire the spirit of Peace.
Acquire peace within yourselves
And thousands around you will find salvation.”
Saint Seraphim of Sarov*

The precious synergy of the *“Huile Consolatrice Sérénité”* has been developed to give deep calm to Body, Heart and Spirit.

Its efficacy is due to the combined action of its scent, its chemical composition, its colour and its dynamic influence. It brings in this way its message of peacefulness, from the most dense physical levels to the most subtle levels

The sumptuous emerald green colour of the oil, a cardiac soother, is due to its aromatic composition, which works on the calming of the psychical whole, through its blue tones, and works, in its yellow and orange tones, on the needs of anchoring, letting-go and joyful relaxation.

It brings in this way security, stability and re-unification of the being: conditions which are necessary in order to pass from dualist, tortured love, to unified and serene love.

Being a calming and sedative oil, through its effects of reducing the driving-force of the ortho-sympathic nervous system, *“Huile Consolatrice Sérénité”* is ideal for people under stress or intellectually over-active.

Helping to relax excessive mental reasonings, it frees the heart and helps a return to the Essential.

Through its powerful psychological impact, *“Huile Consolatrice Sérénité”* works at depth on the fields of distress and sadness, bringing joy, gentleness and balance.

Being reassuring and re-unifying, it is the oil of the incorporation of the Self within the whole Being.

“Huile Consolatrice Sérénité” is especially indicated for states of depression, distress, deep nervous and psychical fatigue, insomnia, physical and mental tension due to stress; nervousness and irritability engendered by emotional imbalances. It is relaxing and sleep-inducing.

This Anointing Oil can be used to accompany all moments of passage, such as mourning and for those at the point of death.
